

Visit www.HCTsolutions.com & Learn More About HCT Today!

After years of customer requests, HCT is excited to welcome you to our online platform that makes the customer experience easier and faster than ever.

The new www.HCTsolutions.com homepage features monthly brands/products, our vision and mission statements, our values and divisions, and more. We encourage you to visit our homepage and learn more about our history and how we continue to better serve our clients.

The screenshot shows the top navigation bar with the HCT logo, links for Products, HCT Organization, HCT Divisions, Certificates, Contact, and News, and a search bar. Below is a hero banner with the text: "HCT's Clinically Differentiated Technologies Enhance the Healthcare Industry" and a call to action: "Contact Your Rep to Start An Online Account Now". The featured brands section includes:

- STATSEAL - Hemostatic Products
- QI MEDICAL - Pharmacy Quality Assurance Products
- HCT Personal Protective Equipment (PPE)
- CONTEC - Contec Pharmacy Cleanroom Products

This section highlights three divisions:

- ACUTE** - A Division of HCT: Hospitals & Hospital Pharmacies
- 503B** - A Division of HCT: Compounding Pharmacies that Provide Office-Administered Medications
- CARE** - A Division of HCT: Home-Care, Long-Term Care, & More

This section contains two main parts:

- The HCT Difference:** A text block explaining HCT's strategic partnership with manufacturing partners and its focus on customer-centric service. It includes a sub-section titled "Amplifying the Patient's Experience" which states HCT is devoted to distributing and manufacturing the best medical device products for patient safety.
- Our Mission & Vision:** A text block with a background image of a person wearing safety glasses. It defines the mission as consulting, collaborating, and serving clients, and the vision as being the leading specialty distribution organization for customized solutions.

This section is titled "Our Values" and features three columns:

- Customer First:** Emphasizes exceptional customer service as the highest priority and a dedicated team working in unison.
- Knowledge & Experience:** Highlights decades of industry experience and knowledge extending beyond products to include distribution channels and clinical education.
- Constant Improvement:** Focuses on measuring success through client satisfaction and feedback, with a commitment to continuous evaluation and process improvement.

This section is titled "HCT at a Glance" and includes a background image of a person working on a laptop. The text describes HCT's experienced sales team, its collaborative relationships with manufacturer partners, and its 45K+ warehousing and distribution capacity, emphasizing transparency and a familiar touch point for all partners.
